

Quick guide

Control via app

Functions such as radiator cleaning, settings, system check, and many more can be performed easily via the Cleanfix control app.

Downloading the app

- 1) Open the app store on your mobile device.
- 2) Search for Cleanfix control app in the app store.
- 3) Download the Cleanfix control app.
- 4) Open the Cleanfix control app.

So that the app can access certain functions on your mobile device, you must accept the permissions.

- 5) Follow the instructions on your mobile device.

The current version of the operating instructions and other information are available at <https://cleanfix.org/instructions> or in the Cleanfix control app.

Pairing the device

- 6) Tap the ☰ button to open the menu.
- 7) Select [Devices].

For subsequent steps, the device must be turned on.

- ▶ If necessary, turn on the ignition.

- 8) Swipe downward to start the search for devices.
- 9) Select the relevant device.
- 10) Enter the PIN.

The PIN consists of the last six digits of the device serial number.

- ▶ If the device is already installed and inaccessible at the time of delivery, it may help to enter the PIN in advance here.
